Description du produit :

Second version of the 8Sinn Extension Adapter.

Thanks to this adapter you can now attach handles with two kinds of mounting points:

1 - 1/4" threads

2 - Arri standar accesory mount.

The main function of this adapter is to widen the distance between the cage and handle and by that, give you more space for the XLR unit.

Recommended for the following camera cages:

8Sinn Panasonic S1 / S1R Cage

8Sinn Panasonic S1H Cage

Set includes:

- 1pcs Top Handles Extension Adapter V2
