Description du produit :

The following page presents you with the set of three 8Sinn accessories - Base Plate, Riser Plate, and Arri Dovetail Plate. The first two items used together with one of the cages listed below will help you to obtain the standard, 85mm optical center for those cameras. The whole configuration is put on the Arri Dovetail Plate for maximizing the balance if required. In the end, this three-piece system provides you with many features and the opportunity for further development.

Compatibility:

The presented Riser Plate allows to obtain the optical center when used with the following cages:
