Codes produits :

Référence 0350-3010

EAN13 : 8720041004578

CUP : -

Description du produit :

Top handle for FCR-15 with integrated hexagonal Allen key. The top handle attaches to the offset 19 mm horizontal tube of the FCR-15 (0350-3000,0255-3000), which enables you to adjust the position of the handgrip to the left and the right.

Because the top handle consists of two parts, a lower bracket and an ergonomically designed handgrip bracket, the height and the length of the handle can be easily adjusted.

A hexagonal key is integrated into the lower bracket, offering the possibility to collapse the handle easy and fast.

The top handle offers multiple 1/4" and 3/8" thread holes, two cold shoe attachments and a 15 mm integrated viewfinder adapter. The viewfinder adapter enables you to mount any third-party viewfinder or LCD screen from the top, via any of the Vocas NATO rail solutions.

DESCRIPTION :

- Mounting positions : Top
- Handgrip shape : Ergonomical
- Mounting options : 1/4" Thread, 15 mm Bars, 3/8" Thread, Cold shoe
- Material : Aluminium
- Color : Black
- Weight (gr.) : 279
