Description du produit :

8SINN SONY FX 3 CAGE

Every detail of 8Sinn products is created with passion and with our Customers in mind - these two factors make our cages unique. Our main goals while designing are to free your creativity and provide the highest possible quality. 8Sinn Cage for SONY FX3 is designed to support and simplify the manipulation of your camera. Unique and functional design fits with your gear perfectly and gives you a solid base for camera accessories attachment. A comfortably located strap holder allows you to use a hand strap of your choice and ensures steady holding of the camera. Every button and slot is available at any time. Build your set-up with endless possibilities and take your skills to the next level with 8Sinn.

VARIOUS MOUNTING POINTS

8Sinn cage gives you a lot of functionality by having several types of threaded mounting points located on every side.

M4

1/4 " threads

Arri-style mounting point with the 3/8" opening in the middle.

SOLID CAGE-TO-CAMERA ATTACHMENT

Our cage fits the camera perfectly and keeps it steady in place with side and bottom mounting points. Guaranteed easy access to all control buttons of the camera.

THE CAGE IS COMPATIBLE WITH THE FX3 ORIGINAL XLR HANDLE.
