Description du produit :

Every detail of 8Sinn products is created with passion and our Customers in mind. A unique and functional design fits your setup perfectly. Perceive more and look over the horizon to make your shots look more sophisticated and professional. Build your Set-Up with endless possibilities and take your skills to the next level with 8Sinn.

access to camera features. At the same time, it provides you with a lot of functionality by having several 3/8" ARRI-style anti-twist threads, 1/4" threads, shoe mount, integrated NATO rail, and Canon compatible MIC mount. With our cage, you can add various accessories such as extension arms, a monitor mount, 15mm rod clamps, or other gear. This product has one of the best and most universal designs for the Canon EOS C70.

Dimensions: Height: 94mm, Length: 141mm, Width: 59mm; Weight: 175g
