Description du produit :

- Every detail of 8Sinn products is created with passion and our Customers in mind. Unique and functional design fits with your Setup perfectly. Build your set-up with endless possibilities and take your skills to the next level with 8Sinn. 8Sinn RF Cine Cap has been designed to protect the camera's sensor while adding a unique look to your rig. Machined from a single block of aluminum with an anodized sleek black finish and mesmerizing woodcut logo. A highly precise RF bayonet locks the cap in position, providing the necessary seal from dust or moisture. The knurled edge and the exclusive finger-fit design provide an extra safe grip in every shooting session environment. Designed for total functionality and quality.

Dimensions: Diameter: 75mm, Depth: 18mm, Weight: 106g
